

Aloha Hiamoe

A Hawaiian Lullaby

Aloha, aloha hiamoe, aloha hiamoe, e sleep with love

Aloha, aloha hiamoe, aloha, e sleep with love

My angel, heavens own, sandman comes, to fill your eyes

Sleep with love, dream the dreams

Love and peace, peaceful sighs

Aloha, aloha hiamoe, aloha, oh sleep with love

Good night my precious, my little dove

Close your eyes now, and dream away

Dream of love, aloha dear one, in another time, for another day

Aloha, aloha hiamoe, aloha, oh sleep with love

My angel, heavens own, sandman comes, to fill your eyes

Sleep with love, dream the dreams

Love and peace, with peaceful sighs

Love and peace, with peaceful sighs
