

Living in Easy

I live in easy, my pono comes from me

I live in easy, cause that's the way

I live in easy, it's what I do to be

In Aloha (in Aloha), that I can gift to you

He noho pono, he pono mai e

The perfection lives, here within

He noho pono, no mai kea ala

The perfection, of my path

He noho pono, he pa'a 'ana au

The perfection lives,

I am firmly in place

E Aloha, e makana o e

The gift of Aloha is for you

It is Aloha (Aloha), it's all Aloha (Aloha)

Neva mind (neva mind) anything less

Cause it's Aloha (Aloha), it's all Aloha (Aloha)

Living in easy is just for you and me

Living in easy is just for you and me
