

# He Mele Aloha

There are rainbows of colors on my island  
From land to Sea and everywhere  
And fragrant flowers fills the air  
It's Aloha, Ka lei Aloha

Blessed by ancient gods, goddesses too  
In Aloha, Ka lei Aloha  
It's the oneness of spirit you will feel  
In Aloha, Ka lei Aloha

It's the gift from this island heart to you  
In Aloha, Ka lei Aloha  
To remind us, we're all in the same canoe  
In Aloha, Ka lei Aloha

To remind us, we're all in the same canoe  
In Aloha, it's all Aloha  
In Aloha, Ka lei Aloha  
In Aloha, Ka lei Aloha
