

He Mele Lani, E Hawaii

Here is heaven beneath Hawaiian skies
The moon tells of love and time gone by
Precious are the moments when aloha is shared
E malama e malama, it's the time it's the time, time to share
E malama e malama, it's the time it's the time, time to care

Here is heaven beneath Hawaiian skies
The moon tells of love and time gone by
Precious are the moments when aloha is shared
E malama e malama, it's the time it's the time, time to care
E malama e malama, it's the time it's the time, time to care

E ho'i makamae noho pili mai
Come my precious and sit here with me
In this paradise for as long as can be
E ho'i maka e pili mai

Nana ike na hoku e lani e Hawaii
See the stars fill the sky
Let us be one my love
Bathing beneath the heavenly light
we see e lani ke alo
E lani ke alo e Hawaii

E lani ke alo e Hawaii

Haina ia mai, ana kaupana

This our song and our story now told

Of a special place, time for you and me

Heavenly skies, moon, stars and timeless memories

He mele lani, Mahina, na hoku

He mele lani, Mahina, na hoku

This is our song and our story now told

Of a special place, time for you and me

Heavenly skies, moon and stars

He mele lani, Mahina. Na hoku

He mele lani, Mahina

He mele lani, e Hawaii
