

# I Ka Pono Mea

**(All Things Are Perfect. Right Time, Right Place, Right Being)**

If it's on a Sunday, it's fine with me

If it's on a Monday, it's great to be

If it's on a Tuesday, it's better still

On and on and on

If it's on a Wednesday, it's nothing less

If it's on a Thursday, it's my request

If it's on a Friday, it's just the best

And Saturday is too

Cause it's the way(cause it's the way), to another day(to another day)

For us to share(for us to share), I ka pono mea

I ka pono mea(I ka pono mea), I ka pono mea (I ka pono mea)

In another day(in another day), for us to share(for us to share)

I ka pono mea (I ka pono mea), I ka pono mea(I ka pono mea)

For us to share(for us to share), I ka pono mea

Kahea: Right Time, Right Place, Right Being
