

## Ka Uluwehe O Kona

Ka ulu wehe o Kona	In the forest uplands of Kona
Ka wahine ilikea malama ipu	The fair skin woman cares for her ipus
Na keiki o ka aina	As children of the land
Oia malama me Aloha mau loa	She cares with everlasting love
Kakahiaka wana hiki I'o 'luna	And in the ray of morning light appears the I'o from above
Na ka wahine ilikea	To the fair skin woman
'me pu'uwai hilina'i	With a trusting heart
'me Aloha mau loa	And everlasting love
Ka la iluna piha la e	The sun above fills the day
Malama keiki o ka aina	Nurturing the children of the land
Me ka wahine ilikea	And the fair skin woman
'me Aloha mau loa	With everlasting love
Ahi ahi wana hiki Pueo luna	And in the ray of evening light, the Pueo appears from above
Na ka wahine ilikea	To the fair skin woman
'me pu'uwai hilina'i	With a trusting heart
'me Aloha mau loa	And everlasting love
Haina ia mai ana kapuana	This my song and my story is told
No ka wahine ilikea malama ipu	Of the fair skin woman who cares for her ipus
Na ho-Aloha I'o 'me Pueo	And her beloved friends, the I'o and Pueo
'me Aloha mau loa	With everlasting love
'me Aloha mau loa	With everlasting love
'me Aloha mau loa	With everlasting love
